VOLUNTEER

The Brossard Figure Skating Club operates entirely from volunteers. Even with all the people who are already implicated in the development of our young skaters, we are always missing people to volunteer their time.

We need your help for our many events during the season. A donation of your time could mean the difference between a mediocre event and a grand and memorable success for our children and for yourselves.

Please take this request under serious consideration. We need you in anyway you can be of service.

38th ICE SHOW FOR THE BROSSARD F.S.C.

Once again this year, the Brossard Figure Skating Club will produce a skating show to close off another season filled with success.

This will mark the 38th annual Ice Show for the C.P.A. Brossard.

This grand celebration allows our young skaters to show their talent dressed in magnificent costumes designed just for them. The routines will be choreographed by our Skate Canada professional coaches, to music that will fit into a chosen theme. All of this is performed to an elaborate light show with spectacular decor...

The practices for the different numbers start the week after the close of the regular season in mid-march and last for 4 to 5 weeks. The Ice Show will be held around the weekend of 17th, 18th, 19th April 2009.

The registration fees for one number are included in the annual fees of the CPA. Thus; all skaters only need to confirm their participation around the middle of January 2009.

We invite you all to participate! All parents who are available to help please let us know.
